

Greater wk6: Greater Faith

Introduction: In our series through Hebrews we have seen that Jesus is Greater than any obstacle we face or any other religious system that is out there. Greater Faith is starting with the idea that not only does God exist, but he rewards those who seek Him.

Discussion Questions

1. Other than God, what are some things that you can have faith in? Can you think of sometime when your faith in those other things were damaged?
2. Read Hebrews 11:1-2, & 6 What is faith? Why is it necessary to please God?
3. In the sermon Jeremy said that faith is not the absence of or opposite of doubt. How can/do faith and doubt mix? What does faith require that doubt does not?
4. Is there anyone in Hebrews 11 that you wonder why they are there? Do you find anyone mentioned especially encouraging to you?
5. Read Hebrews 11:32-40 In this section the beginning part looks like all the ways people overcame because of faith and the last part is about people that still had faith and suffered. What good is faith if you still suffer or things don't end the way you think they should in this life? Does looking forward to a "heavenly city" seem escapist or a reality?
6. What does a step of faith look like in your circumstance? How can we encourage you in that step?

Shaping Your Mind *Hebrews 11:39 -40 These were all commended for their faith, yet none of them received what had been promised. God had planned something better for us so that only together with them would they be made perfect.*
